Take 5

Put the world on pause for a moment, and lose yourself in these puzzles

How did you do? Visit the 'Freebies' section on shop.happiful.com to find the answers, and more!

Bridge the gaps

Join circled numbers with horizontal or vertical lines, so that each number has as many lines connected to it as specified by its value. No more than two lines may join any pair of numbers, and no lines may cross. The finished layout must allow you to travel from any number to any other number just by following one or more lines.
