Take 5

Who said training your brain couldn't be fun? Test yourself with this playful puzzle

How did you do? Visit the 'Freebies' section on shop.happiful.com to find the answers, and more!

Wordsnake

Try this variation on a classic wordsearch. Instead of being in straight lines, words are spelled out in winding paths, with each letter following the one before either horizontally or vertically – no diagonals here. Start with the bold letter and complete the whole grid!

Theme: Art

E	K	O	T	N	O	I	S	N	A	P	I	C
