Take 5

Put those little grey cells to the test with these brain teasers

Rebus puzzles

Also known as 'picture riddles', think 'literally' to uncover these common sayings and expressions.

Tip: Consider the word placement, direction, numbers, and colours, to give you the best chance of success!

CROSS SUM

Use the digits 1 to 9 in the grid in order to solve six different sums. Each number can only be used once, and the operations in each equation (+, -, x, ÷) apply left to right, or top to bottom. Thinking caps at the ready...

	+		-	=11
÷		x		+
	x		÷	=4
-		÷		x
	+		x	=12
=2		=28		=44
