Take 5

Take a mindful moment in this test of logic

Kakuro

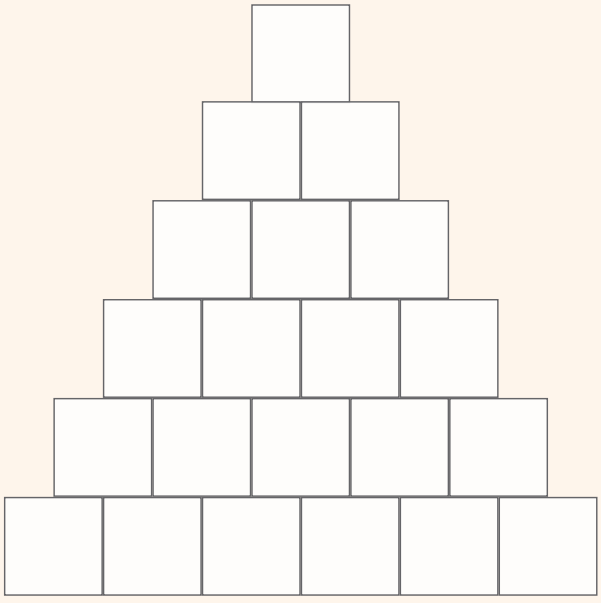

Complete the grid so that the numbers in each row and column add up to the values at the edge. You can use the digits one to nine, but remember that each one can only be used once in each sum! Watch out – this is a hard one!

Word pyramid

Complete the pyramid by solving the clues below, filling in each row with one letter per box. The trick is that each row uses all the same letters as the row before it, plus one new letter – but the order can change. Time to test your vocabulary!

Clues

1. Singular
2. Father
3. Monkey
4. Back of the neck
5. Flat area or surface
6. Earth, Mercury, Saturn...
